Parents with the identifying stamp may come and pick-up their dancer at the designated check-out area **at the end of the show**.

• **WHERE: The Ernsthausen Performing Arts Center, 350 Shady Lane Drive, Norwalk, Norwalk High School**

In House Dress Rehearsal- April 18th-22nd

- **Where:** N*DC studio, during your child's regular scheduled class time
- **Dress Code:** Recital Costume & Recital Hair/Make-up (see "The Look" below)

THIS IS A MANDATORY DRESS REHEARSAL DURING REGULAR CLASS TIME, arrive at your regular class time, dressed and ready to perform. There will be a brief 10-minute meeting at the end of each class for the parents.

Recital Day

Dancers are required to be at the theatre by 11:30 a.m.

Arrive with costume, makeup, hair, shoes and dance tights on.

SECURITY: In order to provide the most secure environment dancers must be checked into the backstage area and checked out after the show. Dancers and parents will have a matching security stamp with parent. **The same person checking them in, must check them out.** Parents are not allowed backstage because it is a security risk. This extra precaution can cause delays, so please be patient. Our primary concern is the safety of your dancer.

Recital Day Drop-Off and Pick-up Procedures

Drop Off: Enter in the **LEFT side of the building door** of the Performing Arts Center. There will be a sign to direct you. You and your dancer will receive a matching security stamp and an instructor will escort your child backstage. You will need to walk back outside and to the front of the Performing Art Center to enter the theater.

Pick Up:

When and Where to pick up dancers:

After the show parents must pick their child up in the side hallway. Go out of the theater into the lobby and turn left, turn left at the 1st hallway and follow the signs.

Only a parent/guardian with matching security stamp are permitted to pick up your child and must be the same parent with the stamp given to them at drop off.

You may pick up at the end of the show only. Parents leaving while there are dancers on stage is a huge distraction and takes away from other parents trying to watch their dancers on stage. We will have an end of the show curtain call where each class will come out for a final bow. Once your child has performed, they will go to a dressing room that is supervised by several N*DC staff members and helpers. We request that only 1 parent/guardian may enter the pickup area to pick up a child and must be wearing the identification stamp. No extended family or friends in the hallway leading to the pickup area. This is in order to avoid too many people in one place so that we can best supervise the dancers. To pick up your child, go out the theater and turn left, turn left at the 1st hallway and follow the signs.

Hair, Makeup & Accessories...The LOOK

We strongly suggest all female dancers wear makeup for the recital. Please review the checklist below for hair and makeup application. We want the dancers' faces to "pop" with color under the lights.

Long Hair- Bun

Short Hair- French Braids

1. Dancers with shoulder length hair or longer must have all their hair pulled back into a bun.
 - Flyaway pieces & bangs pinned and sprayed back.
 - Dancers with bangs must have them above eyebrow length and sprayed down.
2. Dancers with shorter hair must have hair in two side French braids if possible.

Hair Accessories:

Hair Ribbon-

- Bun: Hair ribbon that came with the costume will be tied around the bun, knotted at the top, and let the strands hang down, bobby pin also
- 2 French Braids: Cut ribbon in 2 and tie around end of braids, bobby pin also

Hats: All Hats must be bobby pinned many times to head. The best way for hats to stay on is to criss cross the bobby pin like an X.

Makeup: Change for this year!

NO Makeup for Boys

1. Brown Eye Shadow- apply along the lash line, gradually fading up to highlight the brow bone. You can apply the shadow LIGHTLY under the lower lashes from the middle of the lash line out to the corner of the eye. Do NOT LINE out past the corner of the eye and do NOT line from the inner corner of eye out.

2. Thin line of Black Eye Liner. NO WINGS!

3. Black Mascara (lots) or you can also use fake eyelashes

4. Pink Cheeks- brushed across cheek bone. Start light and add more as needed. Avoid clown circles on cheeks. Do NOT let cheek color drop below lip line.
5. Pink lips – not HOT PINK. More of a dark pink. Try to find a long-lasting lipstick. Example Revlon Colorstay Ultimate Liquid Lipcolor in Miracle Mauve or Covergirl Outlast All Day Lipcolor in Blushed Mauve. This lipstick will go on and stay put without having to worry about reapplying or getting all over the place.

Tights/Shoes: Only wear tights that were included with your costume.

Ballet-Pink Footed Tights & Pink Ballet Shoes

Jazz-tan footed tights & tan jazz shoes

Tap-tan footed tights & black tap shoes

Acro-tan tights & white acro shoes

Hip Hop-tan tights & black tennis shoes

N*DC has tights available for purchase at the front desk. We will NOT have tights for sale at the recital. We strongly suggest you purchase 2 pairs, in case one snags before show time

Shoe Ribbons:

If your costume came with more than one matching ribbon they are for the dancer's shoes. Simply tie the ribbon in a bow around the elastic of the shoes.

Jewelry

No jewelry is permitted during dress rehearsal or recital.

We recommend marking your child's name in their costumes and shoes.

DVD

Video and Photography

We at N*DC understand precisely how important it is for each family to preserve their dancer's recital memories via video and still photos. We do NOT allow video cameras or personal cameras into the theater during the actual performance for the following reasons:

1. To protect the privacy of our dancers from people who post pictures and videos on the Internet.
2. Flashes from cameras are distracting and dangerous to the dancers on stage. Remember, dancers are staring into a dark space and flashes from the audience can temporarily blind them resulting in collisions on stage and or falling off the front of the stage. This is not an issue at dress rehearsal because the house lights are on while they are performing.
3. People taking video or shooting pictures of their child on stage block the view of and distract audience members seated behind and to the sides.
4. A video taken from the audience with a nonprofessional camera rarely turns out to look very good due to the challenging lighting, shakiness, and heads of audience members that block the view of the camera.

NOTE: N*DC does not prohibit video cameras and cameras so that we can earn extra money selling DVD's. We prohibit these items exclusively for the reasons listed above. In fact, we don't make any money on DVD's. Since we prohibit them, we have provided a solution for each dancer's family to preserve their memories on video. They are truly precious keepsakes for the years to come.
